

CASE MEMORIAL LIBRARY

Literary Resources for PreK-Grade 12

[ABDO](#)

Free through June 30:

[Grades PreK-2 ABDO Zoom Online Databases](#)

[Grades PreK-8 Online Digital Library](#)

[Grades 5-12 Online Digital Library](#)

[Audible](#)

Listen to audiobooks on your desktop, laptop, phone or tablet. Kids will have access to titles across six different languages tailored to their age group (“Little Listeners,” “Elementary,” “Tween,” or “Teen”).

[Junior Library Guild @ Home](#)

Enjoy free, unlimited access to the JLG Digital online reading platform – no passwords necessary. Content is available for Elementary, Middle, and High School students.

[Overdrive \(Libby\)](#)

Free access to ebooks and audiobooks with your Case Memorial Library card.

[RBDigital](#)

Free audiobooks and ebooks from Recorded Books via the CT State Library. Collection includes Nutmeg titles and bestsellers. CT residents may access RBDigital without a library card using the access code **ctstatelib20**.

[SEBCO](#)

Free through June 30, SEBCO features an ebook collection of over 700 fiction and non-fiction titles from multiple publishers covering all ages. [Click here](#) and then click “Log In” to get started; the username and password should already be filled in for you. For the student ID number, simply enter “1.”

Scholastic

Read Alouds

StoryTime From Space – astronauts read awesome books about space and science aloud.

KidLit Author Visits and Readalouds Schedule – hop into a virtual read aloud or art lesson with your favorite children’s authors!

UniteForLiteracy – presents informational text in a picture book or easy reader format with narration option for those who wish to use it. Language options are English or Spanish for written text and the site interface with over 40 language options available for book narration.

StoryLine Online – celebrated actors read children’s books alongside creatively produced illustrations. Each book includes supplemental curriculum developed by a credentialed elementary educator.

Educational Websites

Joy Novack Rosson’s List of Educational Sites – this former classroom teacher turned homeschooler has amassed an impressive list of websites you can use for children as young as toddlers all the way up to teenaged AP students and adults.

Girls Who Code: Code At Home – educational coding activities available for download free of charge. Activities will be released weekly – some online, some offline, of varying levels of difficulty – over the course of the next few months. Each activity will include a feature of a woman who pioneered innovative technology.

...Or peruse [this site](#) for an exhaustive list of websites that are fun and educational, too

Staff Picks for “Brain Breaks” (when you need some fun)

Explore.org – a collection of the live webcam feeds of zoos, farm sanctuaries, animal rescue sites, and nature preserves from around the world. Highlights are available if livecams are down or “off season,” and recorded

meditations feature everything from the crashing waves of the Pacific Ocean to lumbering brown bears in Katmai, Alaska.

[GoNoodle.com](#) – a panoply of music and movement activities delivering a dose of much-needed silliness and fun during these serious times. There are hundreds of options available. We happen to know that learning the choreography to the [“Milkshake”](#) song by Koo Koo Kangaroo is guaranteed fun.

[Hogwarts Digital Escape Room](#) – You can complete this escape room as a group or as an individual. You can compete against friends and try it multiple times. Just make sure you have fun!

[Dog Man Digital Escape Room](#) – “Great gobs of goo! Dog Man is at it again as he tries to escape from a digital locked room. It’s up to you to save this epic hero of the day. Are you up to the challenge of figuring out clues found in: text, photos, or videos? ...If you escape, then Dog Man will too!”

[Virtual Piano](#) – Use your computer keyboard or mouse to play any song on a digitized piano.

[SparkChess](#) – Choose an online opponent and develop your chess skills from home.

Where on Google Earth is Carmen Sandiego? Games:

[The Crown Jewels Caper](#) – The world’s greatest super thief has struck again. Can you track her around the globe to recover the stolen loot? Make sure you give the page a moment to load after you click the link.

[The Keys to the Kremlin Caper](#) and [The Tutankahamun’s Mask Caper](#) – VILE has stolen one of the world’s great treasures. Help Carmen Sandiego track them around the globe to recover the loot.
